She proposed that if we could find a donor of several props for the show, the State Bar would provide the Section a promotional ad in the program. The props requested were red carpet, red ropes and lanterns. The Board agreed to ask around and let them know in 2 weeks whether this was even possible.
  - Stephanie discussed various sponsorship opportunities, including a sponsorship available for “The Sandy Brooks One Man Show” itself and the sponsorship levels for the Annual Meeting generally, for us to consider for our own firms and to promote amongst our networks. Brochures were handed out and the information is available on the State Bar website:
