Q10 In what ways can the Center for Legal Education improve your learning experience?

Answered: 6   Skipped: 4

| #	RESPONSES	DATE
1	plugs for electronic devices!	11/25/2019 4:21 PM
2	I strongly prefer written materials to supplement the presentations rather than digital. The digital documents would not open on my iPad after multiple tries. I much prefer reading from paper than a screen. Paper allows me to make notes which helps me better understand the presentation and makes subsequent reference more valuable. I don't see that the course fees are less with digital materials; I'd pay more for paper.	11/22/2019 8:09 PM
3	Actually answer online questions. Mine were ignored.	11/22/2019 5:09 PM
4	More cross sectional presentations such as this	11/22/2019 4:52 AM
5	You are doing a good job.	11/22/2019 12:57 AM
6	I very much appreciated the microphones such that we who were remote could hear the audience questions. Also appreciated the tech moving back and forth between speaker image and power point. Great job! Would love to have live-streamed or recorded, the CLEs that are held at the law school.	11/22/2019 12:23 AM
