1	The "Session Evaluation" lists topics from a different program - the topics from this Business / IP program are not listed.	11/9/2015 10:54 AM
2	The choices is question #6 don't apply to the Representing Technology Start-ups in NM program.	11/6/2015 6:12 PM
3	Session were great. How about one on trade dress?	11/6/2015 6:07 PM
4	The Session Evaluation section, above, does not list the sessions that were presented in the subject CLE program. In any event, today's sessions were all excellent.	11/6/2015 5:09 PM
5	This was one of the better CLEs I've attended in terms of content, speakers, and overall presentation. I experienced technical difficulties gaining access to the webcast and although Peach New Media representative I spoke with on the phone was empathetic, she ultimately couldn't help me access the webcast and advised me to contact the State Bar. I was very grateful to receive excellent support service from Heather Kleinschmidt at the State Bar. Soon after speaking with Ms. Kleinschmidt I had access to the webcast and could enjoy listening to the mornings first speakers. A final note -- question six in this survey appears to be for another CLE (maybe a healthcare law CLE?). With regard to the Technology Start-up CLE, I thought all of the sessions were excellent. As a Albuquerque ex-pat, I found Mr. Oppedahl's presentation particularly interesting. I'm rooting for New Mexico, and it's great to see Albuquerque cultivate a positive self-image and foster an idea and resource rich environment for entrepreneurs.	11/6/2015 5:01 PM
6	Session Evaluation Topics appear to be from a healthcare CLE, therefore I marked "Good" for all	11/6/2015 4:56 PM
