1	Set CLE programs north of Albuquerque.	11/15/2018 3:55 PM
2	So far, so good.	11/15/2018 3:22 PM
3	do more o the live webinars	11/15/2018 12:36 PM
4	Audio did not match up with speakers' mouths during afternoon section. Video stopped playing for much of afternoon (screen would stop on a still frame). Audio was very choppy during afternoon speakers. I adjusted video quality in hopes that the lower quality would help, but I saw no difference. I also refreshed my browser a number of times. To generally test my connection, I ran multiple speed tests on different websites. Most tests showed that I had speeds between 35 and 50mbps.	11/15/2018 11:18 AM
5	I' d recommend not allowing food in the CLE presentation area, or at least not providing noisy snacks, like popcorn, to audience members who are trying to hear the presentation. Loud chewing and bags crinkling can be very distracting to neighboring audience members and, in my view, is disrespectful to presenters.	11/15/2018 10:13 AM
6	Everything was great. Even after over thirty years of membership, I am proud to come to the State Bar. I truly enjoy the staff and fellow members. Thanks for a job well done.	11/15/2018 9:50 AM
