Q13 Do you have any other comments, questions, or concerns?

Answered: 3 Skipped: 13

#	Responses	Date
1	I rated Ms. Robeda as "fair" because she read her outline word for word without any other comment.	10/11/2016 3:59 PM
2	The CLE could have been more effective if the allocated time was balanced between topics. For instance, the FLMA section was a bit long. The LGBT topic should have focused more upon practical ways that employers could mitigate legal risk and more comment on how to balance the business needs of the employer with the individual rights of employees. Also, the marijuana in the workplace could have been better in discussing the conflict between state statutory and case law versus federal law and case law.	10/11/2016 11:44 AM
3	Could not locate written materials until after the webinar. It would be helpful to have written materials available at least the day before the CLE.	10/10/2016 7:44 AM
