2	Probably best CLE i've attended in years.	10/15/2017 10:05 AM
3	it was wonderfully overwhelming!	10/14/2017 3:52 PM
4	I'm incredibly new to military in divorce. From the get-go, not being able to reference anything and the presenter jumping back and forth made it unfollowable.	10/14/2017 2:52 PM
5	Very informative, speakers were good and engaging on topics that were difficult.	10/14/2017 10:36 AM
6	The speaker is extremely knowledgeable and an excellent speaker. Some of the sessions were too detailed and some like a survey/too general	10/13/2017 4:54 PM

1	I became aware of potential pitfalls to avoid.	10/26/2017 4:07 PM
2	this is a very difficult area of family law that not many people can explain	10/16/2017 4:01 PM
3	The information was advanced issues with military divorces and the info provided was advanced. I hate attending CLE that advertise "advance" and end up not addressing advanced issues.	10/16/2017 3:39 PM
4	It would have been very helpful to have access to the materials way in advance because I don't understand how you guys thought you were going to cover a 2" binder in 10pt font in 2 days--we at least got 16 weeks in law school. And not being able to have any reference points from the presentations made it really, really rough--I had no idea where we were at most points.	10/14/2017 2:54 PM
5	Applicable to common practice	10/14/2017 10:36 AM
6	Hit the high point issues with plenty of back-up material for rounding out the information	10/13/2017 4:09 PM

Answered: 1   Skipped: 31

1	I was so lost. It was really hard to stay engaged because I couldn't figure out a way to organize the notes. I couldn't even write in the binder because it bounced around and referenced ??? from before.	10/14/2017 2:55 PM

1	I don't remember Amanda Aragon at all	10/16/2017 4:02 PM
2	I ranked Mark Caplan lower becuae his presentation was good, but he indicated NM had a statute on relocation. It does not. The statute he prensented as being the statute on relocation is actually the statute on Joint Legal Custody. It is a staute used for relocatin cases, but it not "the statute on relocation"	10/16/2017 3:42 PM
3	Ms. Aragon did not seem prepared at all.	10/16/2017 12:27 PM

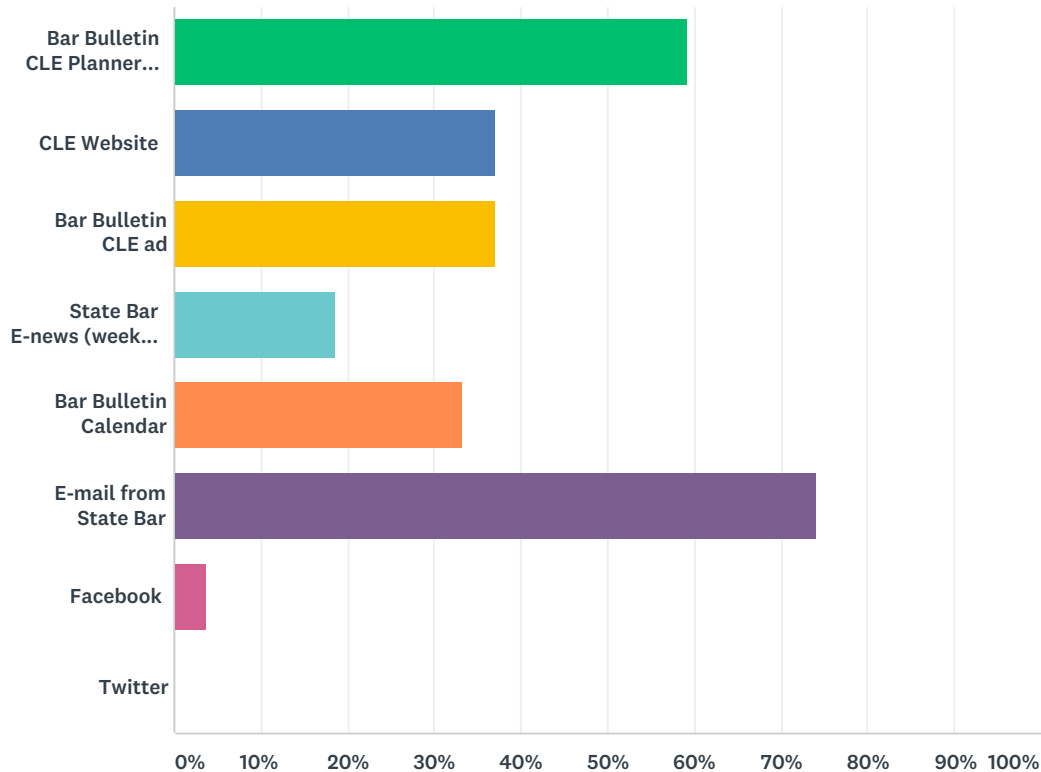

## Evaluation - 2017 Family Law Institute

4	I would really have liked to have had the information that Mr. Sullivan was clearly reading from because I have no idea how to connect it to the information that was provided to us.	10/14/2017 2:57 PM
5	With fast pacing, listener interaction and movie references, Sullivan manages to keep the interest level high with tedious and technical material.	10/13/2017 4:21 PM

## Q9 In what ways can the Center for Legal Education improve your learning experience?

Answered: 9   Skipped: 23

#	RESPONSES	DATE
1	It was very hot most of the time so making it cooler would be great	10/16/2017 4:02 PM
2	Please do not schedule the Family Law Institute on the holiday weekend for the APS Fall Break again. The CLE was good, but created issues for attending due to the Balloon Fiesta and Fall Break.	10/16/2017 3:42 PM
3	I am not sure why this was only available live and as a live webcast.	10/16/2017 10:51 AM
4	Too much sitting. More active learning.	10/16/2017 10:08 AM
5	Put some electrical outlets for laptops being used in the audience. Even if you have to charge "extra" (which I do not think should be done), provide a copy of the presenters slides in the materials. I find it distracting to try to find out where the presenter is in his/her materials and watch the slides and write down the outline that appears on the slides.	10/15/2017 9:26 AM
6	I enjoy the wide range of programs you offer in all kids of specialities. It encourages me to "stray"! Staying in the same area could become boring!	10/14/2017 4:02 PM
7	Getting us the materials for dense information sooner so we can at least try to get in touch with what is going to go on. Getting us the materials that are actually presented so we can follow along.	10/14/2017 2:57 PM
8	Better breakfast options.	10/14/2017 9:04 AM
9	Prescribe smart pills.	10/13/2017 4:21 PM

2	More family law.	10/16/2017 10:08 AM
3	An update on the use of scientific evidence used in family law cases.	10/15/2017 9:26 AM
4	Other programs about various types and unique intricacies re QDRO's. Regarding #9 below: despite the level of knowledge of wither the presented or the audience, I think one learns a lot by listening to the interactions and questions of multiple others and the presenter in a larger question/answer period format.	10/14/2017 4:02 PM
5	QDROs	10/14/2017 2:57 PM
