#	BELOW, PLEASE ENTER ANY OBSERVATIONS REGARDING SPECIFIC SESSIONS AT THE CLE:	DATE
1	The topics were very narrow it appeared and not applicable across most real property practices	12/7/2018 12:01 PM
2	I would have appreciated some technical discussion of negotiating complex lease transactions, intercreditor agreements, estoppel letters, subordination non-disturbance and attornment agreements	12/7/2018 7:32 AM
3	The topics were narrow, I would have liked to have a topic on landlord tenant law for example.	12/6/2018 6:41 PM
4	I was particularly interested in the Court Foreclosure programs, so that was good. Desi and Ben Roybal did a nice job. Somehow Peter Ives was not as riveting as I expect the subject matter to be - may be the afternoon time frame. Finally, Enrique Romero still has me shaking my head over not wanting to talk about the civil procedure issues in Aamodt. I know it isn't real property but still!	12/6/2018 5:14 PM
5	topics not within my area of practice	12/6/2018 4:57 PM
6	I thought the first session of the morning took to long it seemed to drag. The guys did a good job on IRC sec. 199A which is a hard subject. The speaker on the last session kept going back to very basic water law issues that probably were not needed to discuss the Aamondt settlement	12/6/2018 4:31 PM
7	I found Desi to be as interesting as usual, and I really enjoyed the cons	12/6/2018 3:55 PM

## CLE Survery - 2018 Real Property Institute

8	Opening panel about the Foreclosure Settlement project was really great, informative and allowed for a lot of audience questions; remainder of programs were rather dull, and were basically just speakers reading from slides, with little or no time for attendees to ask questions. The time for Q&A is really important, I think.	12/6/2018 3:47 PM
9	Most topics were highly specialized areas of real estate that had very limited applicability to my practice.	12/6/2018 3:33 PM
10	The content was great but I kept experiencing streaming issues with the video.	12/6/2018 3:33 PM

## Q10 In what ways can the Center for Legal Education improve your learning experience?

Answered: 8   Skipped: 15

#	RESPONSES	DATE
1	I think there should be a CLE every quarter where the attorneys involved in major cases that changed NM case law give a presentation.	12/7/2018 12:11 PM
2	Not sure.	12/7/2018 7:36 AM
3	More real estate based courses.	12/7/2018 7:06 AM
4	I love the opportunity to view CLEs via webinar rather than in person. Please continue. The one problem I had was some fairly annoying buffering issues. I had every piece of internet I could find turned off so that it wouldn't happen and I still had buffering issues. I had to refresh the screen several times.	12/6/2018 5:18 PM
5	no way in particular	12/6/2018 5:08 PM
6	I was glad you did a live broadcast. Need more programs in southern NM, Dona Ana County.	12/6/2018 4:39 PM
7	More foreclosure related CLE's	12/6/2018 3:52 PM
8	The program kept dropping with the website. Otherwise the program worked well.	12/6/2018 3:45 PM

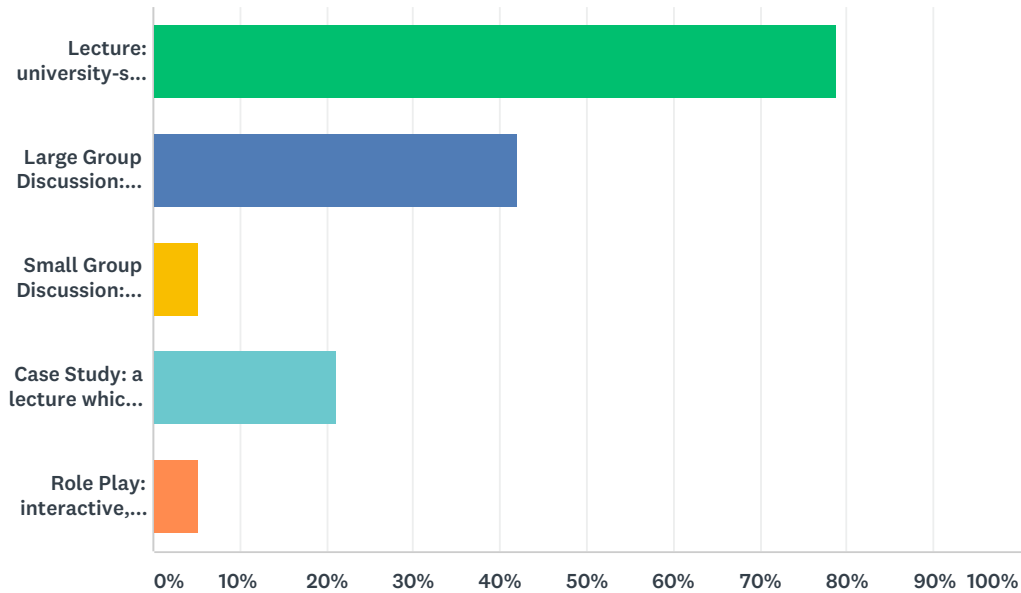

## Q11 What other topics and presenters would you like to see at future CLE programs?

Answered: 10   Skipped: 13

#	RESPONSES	DATE
1	The trial and motion practice CLE's are always good. I'd like to see one on the rules of evidence with judges and trial attorneys where they try to get info and exhibits into evidence and are told how to overcome the objections. A CLE related to dispositive motion practice and what could be presented to get a motion granted that was originally denied would be good.	12/7/2018 12:11 PM
2	Not sure	12/7/2018 7:36 AM
3	Commercial leasing	12/7/2018 7:06 AM
4	More writing skills, mediation and immigration law	12/6/2018 5:52 PM
5	I would truly have loved to see something about the city of Albuquerque's new zoning ordinance. I realize it is CABQcentric, but I have had an opportunity to look at it and it is not quite what I thought we were promised. Even a tips and tricks and watch out for this or that would have been great!	12/6/2018 5:18 PM
6	litigation subjects	12/6/2018 5:08 PM
7	Water law, there are major adjudications with some unique issues in progress in N.M. focus on representing individual water rights owners in adjudication actions. Also a program on condemnation actions would be useful.	12/6/2018 4:39 PM
8	Foreclosure from Counsel for Bank's perspective	12/6/2018 3:52 PM
9	Community Associations	12/6/2018 3:45 PM
10	For Real Property, Opportunity Zone discussion - it's such a new, hot topic, I was surprised it wasn't covered.	12/6/2018 3:35 PM
