1	All the faculty were very good.	12/9/2019 5:53 PM
2	All of them were well-versed, good speakers	12/9/2019 5:22 PM
3	Karl Sommer's approach, to discuss his own case, worked, as the case was interesting. Even so, Karl could have explained the competing legal positions more. Mr. Stimson gave a good overview, but it would help to discuss how things go wrong and how to avoid or fix.	12/9/2019 4:14 PM
